Diagram illustrating a 6x6 grid with numbers in circles. The grid is divided into four 3x3 sub-grids by a central 2x2 area. The numbers in the circles are as follows:

- Column 15: 1, 1, 1, 1, 1, 1 (Total: 15)
- Column 17: 3, 3, 4, 4, 3, 3 (Total: 17)

A grey dot is located in the center of the grid, at the intersection of the second and third rows and the second and third columns.
